Kidding around with music

The Hamilton Spectator

[Slideshow: Kids and jazz](#)

Jazz in the Hubs introduces jazz music to students in inner-city elementary schools in Hamilton.

This is the second year Mohawk College, the Hamilton Community Foundation and the Hamilton Music Collective have come together to provide this hands-on learning experience for kids in the city.

Nadia Johar and Jason Gray are students at Adelaide Hoodless School. They, along with their school and classmates, had Jazz in the Hubs visit the school in the spring.

Here, Nadia gives the saxophone a try as Jason acts as critic.
