

**Updated: May 2 2022**

Welcome to our new registration website! We now have the ability for parents to create an account with a password, add children to their account, and easily claim spots and pay for classes without having to re-enter their information every year/semester!

Instructions:

Please visit <https://hamiltonmusiccollective.ca/advanced-program-registration-form/>

You will see all the programs that are currently open for registration.

**Scroll to the bottom and click NEXT STEP.**

Enter PARENT information and create a strong password (You can always change this password later).

On the next page, enter information about your CHILD. For more siblings, click "Add Child".

Read the media consent form.

Enter an emergency contact for each child, other than yourself.

Select a child and assign them to a program. To sign up a second child, or sign up the same child for a second program, click "Add Program/Child".

Select payment method. If you have a coupon code, enter it at the top of the page.

Your order confirmation will be emailed to you. It will likely go to spam/junk mail the first time.

Once you have finished the process, you can now visit our website and click MY ACCOUNT at any time and enter your personal dashboard. Here you can revise any of your information, sign up for new programs, or change your password.
